

Safety Data Sheet

Coop Gro All Natural Chicken Litter Fertilizer

SECTION 1: Identification

1.1 Product identifier

Product name Coop Gro All Natural Chicken Litter Fertilizer

1.2 Other means of identification

Not applicable

1.3 Recommended use of the chemical and restrictions on use

Use as an organic fertilizer, for use in home yards and gardens and for use in organic crop production. For specific intended-use guidance, please refer to the information provided on the package or instruction sheet.

1.4 Supplier's details

Name Coop Gro LLC
Address 124 White Road
Dixie, GA 31629
USA

Telephone 229-224-5229

1.5 Emergency phone number(s)

229-224-5229
229-977-7478

SECTION 2: Hazard identification

2.1 Classification of the substance or mixture

GHS classification in accordance with: (US) OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

2.2 GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

2.3 Other hazards which do not result in classification

May cause mild eye, skin, and respiratory irritation.

SECTION 3: Composition/information on ingredients

| Component | Concentration |
|----------------|---------------|
| Chicken manure | 100% |

SECTION 4: First-aid measures

4.1 Description of necessary first-aid measures

| | |
|-------------------------|--|
| If inhaled | Remove to fresh air and promote deep breathing. Get medical attention if effects persist. |
| In case of skin contact | Wash with plenty of soap and water. Get medical attention if irritation or rash develops or persists. |
| In case of eye contact | Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, get medical attention. |
| If swallowed | Get medical attention if you feel unwell. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Do NOT induce vomiting unless directed to do so by medical professional. Never give anything by mouth to an unconscious person. |

4.2 Most important symptoms/effects, acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11.

| | |
|-------------------------|--|
| If inhaled | Exposure to dust may cause respiratory irritation. Symptoms may include coughing, shortness of breath, difficult breathing and tightness in the chest. |
| In case of skin contact | May cause mild skin irritation. Signs/symptoms may include localized dryness, redness, and itching. |
| In case of eye contact | May cause mild eye irritation. Signs/symptoms may include redness, swelling, pain, tearing, and blurred or hazy vision. |
| If swallowed | May cause gastrointestinal irritation. Signs/symptoms may include abdominal pain, stomach upset, nausea, vomiting and diarrhea. |

Exposure to this product may aggravate pre-existing eye, skin, or respiratory conditions.

4.3 Indication of immediate medical attention and special treatment needed, if necessary

Treat symptomatically and supportively.

SECTION 5: Fire-fighting measures

5.1 Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

5.2 Specific hazards arising from the chemical

Fine powders may form combustible dust concentrations in air. Hazardous combustion products: carbon oxides and other potentially toxic gases and fumes.

5.3 Special protective actions for fire-fighters

Wear self-contained breathing apparatus for firefighting if necessary. Fight fire from a safe distance or a protected location. Approach fire from upwind to avoid hazardous vapours or gases.

Further information

No data available.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Avoid formation of suspended dust or powder. Avoid dust generation and inhalation. Keep all ignition sources away. Wear personal protection recommended in Section 8.

6.2 Environmental precautions

The product is not considered hazardous to the environment. Avoid the spillage or runoff entering drains, sewers or watercourses.

6.3 Methods and materials for containment and cleaning up

Sweep up and/or clean with vacuum without creating suspended dust. Keep in suitable, closed containers for disposal.

Reference to other sections

For disposal see section 13.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Handle in accordance with good industrial hygiene and safety practices. Keep out of reach of children. Avoid dust generation and inhalation. Ensure adequate ventilation. Keep away from sources of ignition. Avoid contact with skin and eyes. Wash hands with soap and water after handling. Do not eat, drink or smoke while handling.

7.2 Conditions for safe storage, including any incompatibilities

Keep container tightly closed in a dry and well-ventilated place. Keep away from heat/sparks/open flames/hot surfaces. Comply with all applicable health and safety regulations, fire and building codes.

Specific end use(s)

Apart from the uses mentioned in section 1 no other specific uses are stipulated.

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

No applicable substance specific occupational exposure limits.

Particles not otherwise classified (PNOC)

PEL-TWA (OSHA): 5 mg/m³ (respirable fraction), 15 mg/m³ (total dust).

TLV-TWA (ACGIH): 3 mg/m³ (respirable particles); 10 mg/m³ (inhalable particles).

8.2 Appropriate engineering controls

Provide general ventilation or local exhaust ventilation to minimize exposure to dust and maintain airborne concentrations below OSHA PELs or other specified exposure limits.

8.3 Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection

Safety goggles are recommended in case of excessive dust generation. The type of protective equipment must be selected according to the concentration and amount of the dangerous substances at the specific workplace.

Skin protection

Protective gloves are recommended.

Safety Data Sheet

Coop Gro All Natural Chicken Litter Fertilizer

Body protection

The type of protective equipment must be selected according to the concentration and amount of the dangerous substances at the specific workplace.

Respiratory protection

If engineering controls and ventilation are not sufficient to control exposure to below the allowable limits then an appropriate NIOSH/MSHA approved dust mask, such as N95 dust mask, or air-purifying respirator with particulate filter (HEPA), or self-contained breathing apparatus must be used. Supplied air breathing apparatus must be used when oxygen concentrations are low or if airborne concentrations exceed the limits of the air-purifying respirators.

Thermal hazards

No data available.

Environmental exposure controls

Do not let product enter drains.

SECTION 9: Physical and chemical properties

Information on basic physical and chemical properties

| | |
|---|---------------------------|
| Appearance/form (physical state, color, etc.) | Dark brown solid pellets. |
| Odor | Mild manure odor. |
| Odor threshold | No data available. |
| pH | No data available. |
| Melting point/freezing point | No data available. |
| Initial boiling point and boiling range | Not applicable. |
| Flash point | Not applicable. |
| Evaporation rate | Not applicable. |
| Flammability (solid, gas) | No data available. |
| Upper/lower flammability limits | No data available. |
| Upper/lower explosive limits | No data available. |
| Vapor pressure | Not applicable. |
| Vapor density | Not applicable. |
| Relative density | No data available. |
| Solubility(ies) | No data available. |
| Partition coefficient: n-octanol/water | No data available. |
| Auto-ignition temperature | No data available. |
| Decomposition temperature | No data available. |
| Viscosity | Not applicable. |
| Explosive properties | Not explosive. |
| Oxidizing properties | Not oxidizing. |

Other safety information

No data available.

SECTION 10: Stability and reactivity

10.1 Reactivity

Not reactive under normal use conditions.

10.2 Chemical stability

Stable under normal storage conditions.

10.3 Possibility of hazardous reactions

No data available.

Safety Data Sheet

Coop Gro All Natural Chicken Litter Fertilizer

10.4 Conditions to avoid

Avoid dust generation. Keep away from heat/sparks/open flames/hot surfaces.

10.5 Incompatible materials

Strong acids, bases, oxidizing agents.

10.6 Hazardous decomposition products

No data available.

SECTION 11: Toxicological information

Information on toxicological effects

Likely Routes of Exposure: Eye contact. Skin contact. Inhalation.

| | |
|-------------------------|--|
| If inhaled | Exposure to dust may cause respiratory irritation. Symptoms may include coughing, shortness of breath, difficult breathing and tightness in the chest. |
| In case of skin contact | May cause mild skin irritation. Signs/symptoms may include localized dryness, redness, and itching. |
| In case of eye contact | May cause mild eye irritation. Signs/symptoms may include redness, swelling, pain, tearing, and blurred or hazy vision. |
| If swallowed | May cause gastrointestinal irritation. Signs/symptoms may include abdominal pain, stomach upset, nausea, vomiting and diarrhea. |

Exposure to this product may aggravate pre-existing eye, skin, or respiratory conditions.

Acute toxicity

No data available.

Skin corrosion/irritation

No data available.

Serious eye damage/irritation

No data available.

Respiratory or skin sensitization

No data available.

Germ cell mutagenicity

No data available.

Carcinogenicity

IARC: Based on available data, no component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by IARC.

NTP: Based on available data, no component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

OSHA: Based on available data, no component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

Reproductive toxicity

No data available.

Safety Data Sheet

Coop Gro All Natural Chicken Litter Fertilizer

STOT-single exposure

No data available.

STOT-repeated exposure

No data available.

Aspiration hazard

Based on available data, classification criteria are not met.

SECTION 12: Ecological information

Toxicity

No data available on product.

Persistence and degradability

No data available on product.

Bioaccumulative potential

No data available on product.

Mobility in soil

No data available on product.

Results of PBT and vPvB assessment

PBT/vPvB assessment not available as chemical safety assessment not required/not conducted.

Other adverse effects

No data available on product.

SECTION 13: Disposal considerations

Disposal of the product

Disposal should be in accordance with applicable Federal, State and local laws and regulations. Local regulations may be more stringent than State or Federal requirements.

Disposal of contaminated packaging

Dispose of as unused product.

SECTION 14: Transport information

DOT (US)

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations specific for the product in question

SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

Safety Data Sheet

Coop Gro All Natural Chicken Litter Fertilizer

SARA 311/312 Hazards

No SARA hazards.

SARA 313 Components

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

HMIS Rating

| Coop Gro All Natural Chicken Litter Fertilizer | |
|--|---|
| HEALTH | 0 |
| FLAMMABILITY | 1 |
| PHYSICAL HAZARD | 0 |

NFPA Rating

SECTION 16: Other information

16.1 Further information/disclaimer

Date of issue: February 14, 2023.

DISCLAIMER: The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigation to determine the suitability of information for their particular purposes. All materials may present unknown hazards and should be used with caution. In no event shall we be held liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, whatsoever arising, even if we have been advised of the possibility of such damages.
